RE: Sirius Construction Company

To whom it may concern:

This letter is my personal recommendation for Sirius Construction Company. Our firm has worked with Sirius on several projects, most recently the Holiday Village Shopping Center and an Office Building for a local business.

The Superintendents and Project Managers consistently demonstrated their extensive knowledge of the construction industry, always displaying a strong work ethic and a dedication to success. Their efforts have consistently produced high quality results.

Throughout the construction process, they have demonstrated a high level of communication skills, responsive to any issue or concern that occurred, always placing client satisfaction as their top priority.

For these reasons, I highly recommend Sirius Construction Company for your construction project. They have been a pleasure to work with and I look forward to the opportunity to work with them again in the future. If you have any questions regarding Sirius Construction Company for this recommendation, please feel free contact me.

Sincerely,
